“A Biblical Walk Through The Mass”

Understanding what we say and do in the Liturgy By Edward Sri

From the moment of our creation and throughout biblical history, God has desired to enter into an intimate communion with humanity. In fact, God, who loves us beyond comprehension, has chosen to give us His very Body, Blood, Soul, and Divinity in the Eucharist. It can truly be said that the Catholic Mass is the most amazing event on earth. As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means? In *A Biblical Walk Through the Mass*, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass that went into effect Advent 2011, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your love and devotion to the Eucharist.
